When will Consumer Direction Services Start?

- When will your worker start working? How will you know?

- The MCO will then give an authorized date for services to start.
- Your Support Broker will call you and your worker with this start date.
- What's your worker's schedule?
    - You have recommended number hours of care per week based on the Person Centered Support Plan. As the employer, you can determine when your worker works based on your needs and the amount of hours authorized on your plan of care.
- How will your worker be paid?
    - Payroll is bi-weekly, please reference payroll calendar
    - CDTN must have valid authorizations from the MCO and an approved timesheet from the employer in order to pay the worker.
    - Timesheets are completed using CDTN's Electronic Visit Verification technology called CareAttend.
