

How to Change your Language in the HHAeXchange Mobile App

1. Tap the **three dots** in the top right corner of the Main Screen.

2. Select **Change Language** from the list.

3. Select a language from the list, and then tap **Apply** (bottom of the screen) to save.

4. After you select a language, everything on the app will appear in that language.

NOTE: To see maps in your language, you must restart the app.
